

Vero Reading Garden offers small group and private reading sessions. All classes are held at First Baptist Preschool four times per month to focus on pre-reading skills. These skills include, letter/sound knowledge, syllable segmentation, phonemic awareness, and concepts of print, phonics, handwriting, and so much more. Vero Reading Garden is offering an affordable way to enrich your child's reading skills and prepare them for kindergarten. Partnered with a strong preschool environment, Vero Reading Garden can enrich your child's life with an understanding of print that will carry them throughout their early childhood experience. As your child learns to read, we will advance your child's level. Each session is developmentally appropriate and fun for the children!

Also offered, group MATH classes! Children will learn early math skills through play. Groups will be small (no larger than 6 students per class) and engaging. There is a \$10 discount per month for students who enroll in both the reading and math group classes.

Teacher Highlights Include:

- Master's degree in Early Childhood Education
- State certified educator for ages three to grade three
- State certification endorsement for ESOL (English for Speakers of Other Languages)
- 20 years of private and small group tutoring experience
- Past kindergarten teacher for Broward and Indian River Counties

Program Highlights Include:

- Four sessions per month
- Sessions 30 minutes long
- Groups no larger than 6 students
- Children grouped by ability levels
- Program affordably priced at \$60 per month for group session and \$50 per class for private lessons

Please fill out the attached form if you are interested in enrolling your child. There is a \$30 registration fee. Please return registration form and payment to the Vero Reading Garden drop box located in the First Baptist Preschool lobby or by mail, P.O. Box 644336, Vero Beach 32964. Vero Reading Garden will contact you about your child's enrollment. You will be amazed by your child's progress!

Sincerely,

Heather Reeb
Program Director
